

TCOE Support Services

Mental Health Supports: How to Access Services

MENTAL HEALTH SUPPORTS

ERMHS (IEP DRIVEN)

Standard IEP evaluation protocols should be followed (assessment plan from the IEP team, 60 day timeline, eligibility discussion)

The IEP team will create an amendment to identify goals, services, and frequency/duration of ERMHS

NON-ERMHS MENTAL HEALTH

TIER I

Wellness Liaison:
Whole class SEL Instruction (Why Try?), integrated into ALL classrooms

Additional Tips and Strategies

TIER II

Mental Health Clinicians/School Psychologists:
Targeted students in small groups, selection and targeted groups are selected based on data; goal setting should be involved

Additional Tips and Strategies

TIER III

Mental Health Clinicians/School Psychologists:
For students with individual needs (in general education or via the IEP process). Targeted students are selected based on data; goal setting should be involved

Additional Tips and Strategies

REMINDER

REMEMBER: Students can move between tiers at any time based on their needs and progress
